

THE DIRECTOR OF
CENTRAL INTELLIGENCE

National Intelligence Council

6 January 1982

NOTE FOR:

STAT

FROM : Henry S. Rowen
Chairman

Your paper on Eastern Europe turned out splendidly. It is a pleasure to read something as well written. I'm sending it around to various folks in the Administration on the assumption that it won't hurt if they get it sent to them by a number of people independently.

Henry S. Rowen
